Sir,

Re administration reports and returns

I write to state that since the financial year is closed at the end of the March the figures furnished by the several Municipalities in the half yearly and annual reports and returns vary as someof them furnish figures for the year ending March while others furnish figures for the period ending June In order to avoid confusion I request kind instructions as to whether the half yearly and annual reports to be submitted to Government should contain particulars for the financial year ending March or Official year ending June This may kindly be treated as urgent since clear instructions have to be issued to the Municipal Presidents for submitting yearly reports

Yours faithfully,

Deputy Commissioner,
Hassan district
